

Head of Quality (m/f/d)

Position: full-time, fixed term

Location: Bad Homburg v.d. Höhe

Starting date: as soon as possible

Who are we?

MYR Pharmaceuticals is a young German biotech company based in Bad Homburg. Our team office is international and dynamic, and we value flexibility and teamwork, as we believe they are the key to success. We are continuously working on creating a comfortable workplace in which ideas are shared and discussed freely. Our lead product, bulevirtide, has a unique and innovative mechanism of action of HBV/HDV entry inhibition. Bulevirtide has received PRIME status (Priority Medicines) at the EMA (European Medicines Agency) and breakthrough designation for treatment of chronic Hepatitis D at the FDA.

What are we looking for?

MYR Pharmaceuticals is growing and developing rapidly. Therefore, we are looking for more colleagues to strengthen our team! Our lead product, Hepcludex®, is expected to be approved for treatment of chronic hepatitis Delta very soon. In line with that, we are looking for a Head of Quality (m/f/d).

Your tasks

As a Quality Manager/Head of Quality, your area of responsibility would include:

- Annual audit planning (GMP/GCP) as a part of the quality management system (QMS)
- Implementation and tracking of QMS.
- Implement and track KPIs for the QMS and communicate with the Management team
- Ensure all GMP relevant processes are conducted in accordance with applicable regulations
- Review documentation of the quality management system (QMS) GMP of the company, e.g. SOPs, approved supplier list, deviation and change control register.
- Ensure process of SOP management, review and sign all SOPs, ensure training of personnel on SOPs and other applicable documents.
- Quality oversight of supplier management and continuous monitoring, ensure appropriate qualification and status of suppliers.
- Communicate any critical compliance risks noted from operational activities to Chief Operations Officer and CEO of MYR.

Your profile

The following qualifications are required for you to be eligible for this position:

- Degree in natural sciences, medicine or pharmacy
- A necessary minimum of 2-3 years of experience in quality management
- Very good command of English and German
- Knowledge of pharmaceutical development, analytical technology and regulatory requirements
- Thorough knowledge and understanding of analytical technologies and pharmaceutical quality control
- Effective at problem solving
- Strong management and collaborative skills

What we offer

At MYR Pharmaceuticals we are looking for unique employees for our unique product. In our team, instead of building walls between different departments, we tear them down together. In order to make you feel great working with us, we offer:

- A permanent position with the opportunity to develop quickly within the company
- An attractive fixed salary

If this sounds interesting to you, and you see yourself as a part of our team, please get in touch with us without hesitation! Please send us your CV, letting us know which position you are applying for. We are looking forward to meeting you!
