

Medical Science Liaison (m/f/d)

Position: full-time, permanent

Location: field - tbd

Starting date: January 2021

Who are we?

MYR Pharmaceuticals is a young German biotech company based in Bad Homburg. Our team is international and dynamic, and we value flexibility and teamwork, as we believe they are the key to success. We are continuously working on creating a comfortable workplace in which ideas are shared and discussed freely. Our lead product, bulevirtide, has a unique and innovative mechanism of action of HBV/HDV entry inhibition. Our lead product has been approved as the first therapy regimen for patients suffering from chronic hepatitis delta by EMA in July 2020.

We pride ourselves with the internationality of our company, our team consisting of people from all over the world. We find ourselves incredibly lucky to have a chance to learn from each other, to cooperate tightly, and to share ideas which differ thanks to various backgrounds we have.

What are we looking for?

MYR Pharmaceuticals is growing and developing rapidly. Therefore, we are looking for more colleagues to strengthen our team! Our lead product, has been approved for the treatment of chronic hepatitis D. In order to present our treatment to the market and thus provide the patients who suffer from hepatitis D with it, we are looking for a Medical Science Liaison (m/f/d).

Your tasks

As a contact person for our product in the field of hepatitis D, your area of responsibility would include:

- Identification and visits to medical and scientific centers

- Building long-term relationships through face-to-face scientific information exchange
- Cooperation with scientific societies
- Design and implementation of regional scientific training events
- Creation of scientific presentation materials
- Support of internal key stakeholders such as marketing, clinical and market access

Your profile

The following qualifications are required for you to be eligible for this position:

- Completed studies in natural sciences (medicine or pharmacy preferred)
- High medical competence
- Experience in active project design and working in interdisciplinary teams
- Very good command of English and German, both written and spoken
- Independency, motivation
- Willingness to travel

What we offer

At MYR Pharmaceuticals we are looking for unique employees for our unique product. In our team, instead of building walls between different departments, we tear them down together.

In order to make you feel great working with us, we offer:

- A dynamic, international environment
- A permanent position with the opportunity to develop quickly within the company
- An attractive fixed salary

If this sounds interesting to you, and you see yourself as a part of our team, please get in touch with us without hesitation! Please send us your CV, letting us know which position and location you are applying for. We are looking forward to meeting you!
