

Junior Market Access Manager (m/f/d)

Position: full-time, fixed term

Location: Bad Homburg vor der Höhe

Starting date: as soon as possible

Who are we?

MYR Pharmaceuticals is a young German biotech company based in Bad Homburg. Our team office is international and dynamic, and we value flexibility and teamwork, as we believe they are the key to success. We are continuously working on creating a comfortable workplace in which ideas are shared and discussed freely. Our lead product, HEPCLUDEX®, has a unique and innovative mechanism of action of HBV/HDV entry inhibition. It has received PRIME status (Priority Medicines) at the EMA (European Medicines Agency) and breakthrough designation for treatment of chronic Hepatitis D at the FDA.

What are we looking for?

We are growing and developing rapidly! To strengthen and support our commercial team, we are looking for a Junior Market Access Manager.

Your tasks

As a Junior Market Access Manager, your area of responsibility would include:

- Supporting the development of market access strategies
- Anticipation of the effects that a new medicinal product will have on the health and medical care market
- Description of the healthcare system and determine important networks in accordance with the internal market access goals
- Assessing and anticipating reimbursement requirements and pricing strategies
- Trend analysis of market access/health policy changes and evaluation of national reimbursement requirements
- Coordinate the development and submission of dossiers
- Manage the communication with Health Technology Assessment bodies
- Driving cross-functional collaboration to ensure internal alignment across departments

Your profile

The following qualifications are required for you to be eligible for this position:

- Very good command of English and German, both oral and written
- Experience in working with MS Office
- Deep interest in biotechnology and pharmaceuticals

- Creativity, thirst for learning, great time-management skills
- Team-player with high level of independence
- Degree/studies in a relevant scientific discipline
- Knowledge and understanding of the healthcare systems
- Analytical skills

What we offer

At MYR Pharmaceuticals we are looking for unique employees for our unique product. In our team, instead of building walls between different departments, we tear them down together.

You have a possibility to join our team in the most exciting time for us – getting our product ready for the market. Our team is open and international, and we love brainstorming and discussing ideas together. We all believe that is the best way for everyone to grow and develop. In order to make you feel even better working for us, we offer:

- A permanent position with the opportunity to develop quickly within the company
- An attractive fixed salary

If this sounds interesting to you, and you see yourself as a part of our team, please get in touch with us without hesitation! Please send us your CV, letting us know which position you are applying for. We are looking forward to meeting you!

For any further information, please do not hesitate to contact us via the E-Mail address which you can find below.
